After a discussion about the dollar amount for both the budgeted fund and the additional funds, Bill Cleveland volunteered to contact the treasurer, Ann Daniels, and have her submit the balance available in the Outreach funds each month.

Bill Cleveland read a thank you letter sent to us by the Bishop of the Episcopal Church of Jerusalem thanking us for the \$250.00 Copper Crusade money we sent to our Sister Diocese.

CK Food Bank ingathering: Pat Reese reported that 96#'s of goods and \$130.00 had been given to the Food Bank April 27th.

Mission Statement: Steve Miller reported that there was nothing further at this time and he will continue to work on it in June.

Habitat for Humanity: No report

Ingathering Collections: Chris Crowson proposed that our next ingathering of goods would be for Kitsap Community Resources on June 21st. Chris will provide a box for the collection and do the notices for the Sunday bulletins and the Newsletter. Chris moved and Steve seconded a motion which passed unanimously that \$200.00 be given to KCR in June along with the ingathering.

Art work displays: Steve Miller will take the art piece down and we will start up the program again prior to Christmas. Any extra pictures we still have, that we do not want for the silent auction, Steve will put in the barn sale.

Outreach Endowment Fund: Chris Crowson reported that because of the economy, the fund was back down to approximately it's original amount. Ideas for a project to involve parishioners in as a community were discussed.

Form for Disbursement of Funds from Outreach: Bill Cleveland will email out an attachment with the form to be used by anyone requesting funds.

The meeting closed at 6:30 PM.
